The Story
BOOK FOUR
2024
(The Final
Outcome)

You work out God, his Angels, and all those Psychics for yourself through my life Story and Works

This book has a lot of my Teachings
And this book, tells you the final outcome

The book has been sent to an Entertainer that I have been spiritually Courting for about 30 years to 2024.

Just a note, which may help? Ask for Arch Angel Michael, to protect you, and the rooms you're in also your book from Negativity, while you read your book, each time you read it? (Please include protection, for front, back and sides of house plus the rooms adjacent to the ones you are in) The reading will be more enjoyable. No negativity and the words going over your head...etc...

Introduction

I lived in a haunted house for 25 years, until God came on board and helped me clear the situation. He told me why my house was haunted and where the evil spirits had come from. You work out God and his Guardian Angels and all those Psychics for yourself through my life story? My Spiritual Courtship with an Entertainer, will it ever happen? How I tried to pull off a Hydrogen car, and gain a Music contract?

This is a book for Psychics who want an insight on how clairvoyance turns out in the end. God and Elvis are my teachers and I wish to lead people to their Guardian Angels and God through my life story and works. May you learn something from my book or be inspired to listen to your own

Guardian Angels using your sixth sense.

You have done it to yourself, look at the mess you are in, by taking it by the hand and giving it a hard tug

Look mate if you want to be successful, you

leave it alone...

Good boy, you took note, and it left you free,
now the urges, have gone, and you are at
peace...Buy the book, you deserve it...

The Picture on the wall says it all doesn't it, a
Picture of Susan in the gallery with angels around
it, it looks nice, wish I was there to see it, I would
be so proud...

The angels are looking at you seriously, they
want this book promoted.... It will make money
within 18 months; every bastard will want it...

The telephone is about to call, and a business
client is calling about February, it may be
Pauline...? Well somebody is calling...?

Your car and engine have been polished...What
the fuck for mate?

Even the engine. so proud of that fuckin car an't

that one...Buying a bigger one and a more fancy
Red Rover, I call it...

Fish tackle out and going fishing, and got a boat
of some sort on lay by

Buy the boat...Take her out, about
February....Not long now...

The story is done, and I wish you both well...
I don't know where it sits with the Angels, my
father, in heaven, but you may be both passing
over, or staying as said previously....
Buy some Cockroach strips, you've been growing
marijuana, in the ceiling or somewhere.... only
one plant, but it's created a mess, and they bring
in the pests.... That's what you get for growing
weed...Many Cockroaches, in your house
The book is done David, all is said...

The Guides say, "Go on write your Story?"

I went to bed at 12 am, just after, "The Sound of
Music, by Julie Andrews"

Well, at 12.30 I was woken up...."You got a call
coming in?"

I was attacked until, 3.30 am

I went to bed at 5 am, was woken at 8.30 am, and
was told. "Something important is coming?" I
was attacked, for 4 hours until 12.30 pm

It's 12.30 pm now, so I hope they have stopped

This goes on every day, they have stopped the suicidal feelings, and the time going slow, etc, and have made me cold to the bone

In Mid-Summer I am wearing my clothing, a shirt with a black cardigan, warm dark slacks, and a warm dressing gown...

Lucky Tony has been sleeping all night and day, as Elvis has been on board, telling me how lucky he feels, and that I think he is the most handsome man in the world...He can't believe his luck...

He tells some people but they say I was drunk, they are all jealous of him, and he feels it.... His Mum and Dad laugh and say, "Well they did spend a fortune on making you look that good?"

To be Scammed, or be Scammed

I contacted a company, that was on U tube, you invest a few hundred on the shares and within a few minutes' money rolls in

Aliza says" No?"
