Introduction

The Complete Guide to Spell Protection is a book Channelled by God (Aliza) through **Charmaine The Clairvoyant Medium (The Good One)** which covers everything a Professional Psychic or any person learning to be a psychic, needs to know to protect themselves against spells from the Darkside.

This book covers topics such as

- Spell Protection
- Protection from being sued....
- Removal of Spells
- Psychic Protection

...and more.

Nostradamus (the famous seer), Elvis Presley and God are my teachers on a spiritual plane.

We wish to lead people to God and their Angels through using their six sense.

You need to ask your Angels to talk to you!

They have always been there.

Anything that talks about your problems is the dark side.

ie. Paedophiles and killers which go against God. That is why the world is so sick.

And people do tend to listen to the negative in our world of free will.

Tip

Just a note, which may help?

Ask for Archangel Michael, to protect you and the rooms you're in when you are reading this book!

Ask Aliza to pay Archangel Michael what he wants to be paid and deserves for protecting you.....

If he has not got a bank account, ask for one to be set up for him. Let him and Aliza, know the bank account details for money to go in and out of?

Also to protect your book from all Negativity, while you read your book, each time you read it? (Please include protection, for front, back and sides of house, plus the rooms adjacent to the ones you are in) The reading will be more enjoyable. No negativity and the words going over your head...etc...

The Lord's Prayer should be said in the morning and at night to protect you from all harm.

It should be done as your daily routine.

It would be a good idea if work environments said the Lord's Prayer as well.

These affirmations will help you achieve great heights spiritually and will improve your everyday wellbeing. When you recite these affirmations, you should include all your friends, family, loved ones, and animals.

About The Author

Charmaine The Clairvoyant Medium (The Good One)

I've been practising for 30 years as a Clairvoyant Medium.

I aim to bring out the truth about Clairvoyance to lead people to God and his Angels. through using their sixth sense.....

God (Aliza) is my Teacher which very few Psychics in the World have.....Also Elvis Presley is my Teacher on the spiritual plane and Nostradamus is part of my earlier teachings on a spiritual plane.

This book, if you use it and listen to your inner guidance and act upon it, can help you achieve in your daily life. It may help make your dreams come true in career, business and love....

I have a **Hydrogen car** to pull off, and gain a Music contract.....

Also for 30 years, up to 2018 , I have had a spiritual courtship with an entertainer. And I lived in a Haunted House with Evil Spirits attacking me night and day for 25 years, until God (Aliza) came on board...I was told a jealous psychic did put a spell on me!

I also have another related book called **The New Age Bible Clairvoyant Manual** .

You work out God, his Angels and all those Psychics for yourself through my life story and works....If you are in the arts or entertainment industry you may find being a psychic is maybe what you are missing out on?

Everybody has the gift. It is given to everybody from God (Aliza). We all have Guardian Angels that talk to us, entertain us and help guide us in our future path.....

Just ask them to talk to you? By law you have to ask them !

And when the time is right they will....(You may need a cleansing technique , to help them tune in to you and work with you, which is in my Clairvoyance Manual)

Remember all your thoughts are not all your own? And anything that talks about your problems is the Dark Side. (Don't listen to them and tell them to go away?)

Also my Teachings will greatly help you !

Also beware of jealous psychics that place spells upon you and your works, to stop you from becoming successful? If you are in the Arts or the entertainment Industry you don't stand much of a chance unless you are a psychic and use protection from other Psychics and listen to the Teachings!

Helpful Tip: Key in everything with your Angels.....Then add a code, for everything....So each time you don't have to go through everything.....Do this for all your works.

Aliza

Aliza says he looks like **Neil Finn**, from Crowded House.....

And that he lives, on a farm, in Rockhampton, Australia.

He says, near a bird sanctuary .

Aliza does all his work with his Angels, in the morning, for the betterment of the World and people. Then he works on his farm or

other things?

Aliza lived a very hard life while alive, to learn all his lessons.....?

He is a superior being, of the highest....But just like us, he is human and has lived the lives, we live.....?

There was a God, before Aliza, long ago who has gone elsewhere....?.

Aliza has been with us, for many a thousand years.....

Just like us, he is a normal Human being.....of the upmost highest.....

Those, that have learnt all their lessons and have good karma, can eventually have their own kingdom to rule.....?

But, not many would wish it upon themselves, to learn the lessons.....

Aliza had the whole book thrown at him and heartbreak.

He is on his own.....and prefers it that way, until the day comes.....?

Aliza likes **Tina Arena** as a female companion and as a potential love interest. Tina was a singer around the year 1990's era.

Check for Spell Attacks

Each day, ***ask for the most common things attacked?***

Just a ***select few to see if a spell has been placed, so you know?***

Then, remove all the spells, as said below....

Key in everything listed below and everything else you can think of.....?

Do this every day, for one month....

Then, if you think of anything else, just ask them to add that to the keywords, for Spell Protection....

Ask everything to be placed into a "Code" for Spell Protection and to be lifted off, as many times as to see clear, sent to the Universe as Healing.....Name the code.....?

Same code for most things similar, will do?

When keyed in, after a month, you can wave you're hand and just say "Lift Off?"

Everything keyed in, for Spell Protection, for everything and everyone I have keyed in, that I look after and including myself?

You should ***include, your guides, teachers, warriors and animals.***

They may have been jailed too? Just ask for them to be released and maybe a padlock has been used or lock?

Ask for it to be broken or unlocked...?
